1994 - 1995**America - Mideast Educational & Training Services (AMIDEAST).****Director**

As the first director of AMIDEAST office in Gaza, I set up the Gaza office which entailed staff recruitment and training, establishing administrative accounting, audit and evaluation procedure, and monitoring following up, and reporting techniques. My duties included planning, managing, and implementing large human resource development programs in Gaza. Over my nine years assignment, AMIDEAST assisted many universities, institutions, municipalities village councils, charitable societies, and individuals within a wide-ranging programs which covered education, technical training, health and other fields.

1991 – 1994**Center for Development and Consultancy / Gaza****Director**

Responsibility includes planning and managing a large-scale project.

1984 - 1994**WELFARE Association - Gaza****Director**

Analyzed the financial, marketing, management, and operational strengths and weaknesses of projects submitted in various disciplines of the economy. Analysis included detailed feasibility and profitability studies. Competitive threats, business strategies, comparative advantages and sources of working and investment capitals. I was also responsible for managing, monitoring, and implementing the successful projects. The Welfare Association is a non-profit organization founded in Geneva, Switzerland. Its goal is to assist the Palestinians in the West Bank and Gaza Strip in starting their own businesses by giving them funds in the form of loans term loans and grants.

1983 - 1985**Engineering Centers for Art & Architecture – Gaza****Technical Manager**

Duties included design of housing and public projects.

1980 - 1983**C.C.C Abu Dhabi, UAE****Project Engineer**

Duties included supervision and planning of major projects like the planning of Rowais City in UAE

1979 - 1980
